SWORN UNDERTAKING

I, the Undersigned, do hereby declare & affirm, and undertake the following:

- To adhere to the code of ethics/code of professional conduct as established and enforced by my Home PRA (state the name of said PRA), and as a Practitioner of Engineering Services (under WTO CPC 8672), will be guided by FIDIC Code of Ethics, which represents the international best practice Code of Ethics for Engineering Consultants;
- To be bound by prevailing laws and regulations of the Host PRA (details given in the Header) as part of National Treatment (NT) when in collaboration with the Party(ies) detailed in Item 10 (Collaboration) above.

Above information and assertion are testimonies of the truth and nothing but the truth.

Sincerely and truly,

.....
